

# TRITON ALUMNI AND WELCOME CENTER

CONNECTING TRITONS PAST, PRESENT AND FUTURE

**Everything UC San Diego is, it is because of you.** Triton alumni are the drivers of a better world, the heart and determination to exceed what exists in pursuit of what is better. At the center of our campus, we are building our first-ever Triton Alumni and Welcome Center as a site for journeys home. A site for launching new Triton journeys.

**Our grand vision is to create a space where stories begin, where your legacy is shared, and where Tritons of all ages come together.** The Triton Alumni and Welcome Center will feature a multistory exterior media mesh screen; dedicated boardroom, lounge, library, hoteling space and meeting rooms for alumni to socialize, work and gather; state-of-the-art exhibition space to share our campus' distinctive history; and welcome center that will serve as a hub for introducing prospective students, families and visitors to UC San Diego. Together, these will provide a gathering place for the Triton community to contemplate, celebrate and nurture their network as they connect with faculty and staff, mentor students, honor UC San Diego's history, and plan for its future.

**Establishing a space for new Tritons to launch their journeys and graduates to engage with our campus** will create an environment that allows for interaction, connects alumni and current students, celebrates our dynamic campus, and creates new memories for our ever-growing community of Tritons.
