

TRITON ATHLETICS

MOVING FORWARD

Our scholar-athletes are anything but ordinary. They see the world differently in the classroom, in our community, and on the fields of play. UC San Diego Athletics is committed to the physical, intellectual and personal development of our phenomenal scholar-athletes. Our 23 men's and women's teams — propelled by their indomitable fighting spirit — are training rigorously for NCAA Division I competition.

Excellence is in our DNA. Our scholar-athletes are held to the same high academic standards as their peers, all while balancing a demanding competition calendar. Their majors range from biochemistry to political science to aerospace engineering, with many aspiring to pursue graduate and professional degrees.

Triton Athletics is in an era of growth and expansion. Our athletic teams play in NCAA Division I, with most in the Big West Conference. As we compete at the highest level of intercollegiate athletics, additional resources for our sports programs, including scholarships, up-to-date equipment and state-of-the-art facilities will ensure our scholar-athletes' success. Additional funding for our scholar-athletes will allow them to travel to elite competitions for Division I. More than ever, Triton Athletics needs loyal partners who are committed to the success of our scholar-athletes as they reinforce the Triton legacy of academic and athletic excellence.

Together, we unite diverse people and unconventional perspectives to propel limitless impact. Because we know that when we come together, nothing is beyond us.

Our scholar-athletes' success in the classroom and on the field of play is fortified through your philanthropic support and our continued partnership. We invite you to join us as we compete in Division I and advance to the highest level of intercollegiate athletics.
