YOUR GIFT CHANGES LIVES.

"Being the first in my family to attend a four-year university meant I had no clue what I was getting into, but I believed in my studies and my family's sacrifices. The Chancellor's Associates Scholarship provided the perfect conditions for me to not only navigate college, but to also give me the freedom to pursue paid internships, attend research conferences, and serve on multiple commissions for the city."

- YVANIA RUBIO '25

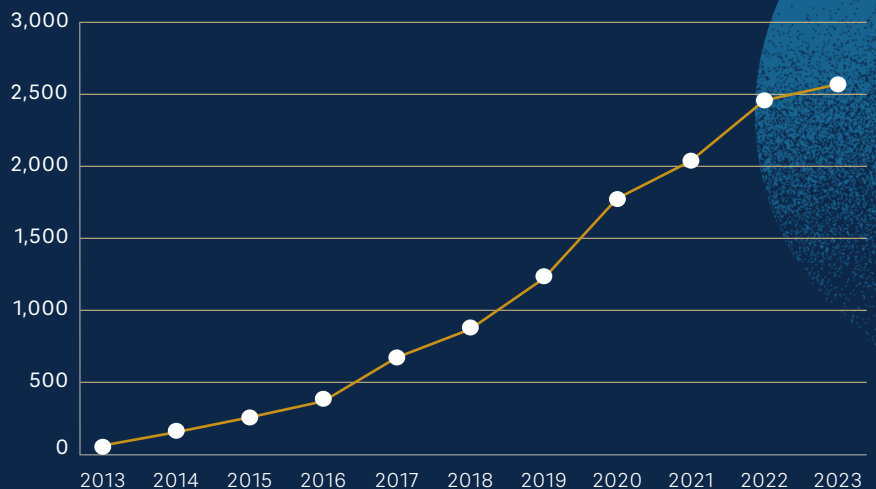

"When I started college, I was a single mom in my twenties and had to stop my studies to raise my children. When my daughter started at Grossmont College, I was inspired to give it one more try. Receiving the CASP scholarship gave me confidence that I could accomplish my dreams. Now I am an adjunct instructor at San Diego Community College District teaching art orientation and graphic design history." - SHEL MOLINA-SAVAGE '20
