RECOGNITION OPPORTUNITIES

A vibrant community comes together in celebration.

UC San Diego's Triton Center will be a place for students and our community to assemble to celebrate our milestones and achievements, and no less important, it will be a place to enjoy and connect with each other. We take pride in plans that include the Celebration Space that will be the setting for significant student events and inspiring community gatherings, an enriched experience for visitors and a gathering place for alumni – exemplifying the energy and innovation central to our Triton character.

UC San Diego

At UC San Diego, we believe that what we don't know today will forever change our tomorrows. Empowered by generosity and fueled by curiosity, we are unafraid to chase the unknown – to ask the questions no one has asked before and to push the boundaries of possibility. Together, we unite diverse people and unconventional perspectives to propel limitless impact. Because we know that when we come together, nothing is beyond us.
