

PROPELLING POSSIBILITY

For more than a decade, the Chancellor's Associates Scholars Program (CASP) has been creating pathways to possibility, supporting students pursuing academic excellence with mentorship and opportunities for connection. Your generosity helps us lower barriers to higher education, empower local scholars and broaden access to all that UC San Diego has to offer.

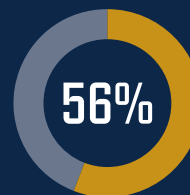

To date, we have awarded more than 3,200 full scholarships, giving students the opportunity to receive a world-class education at UC San Diego. Your support continues to enrich our entire community and advance a new generation of scholars — talented Tritons who are making a difference in the world.

2025–26 Chancellor's Associates Scholar Cohort

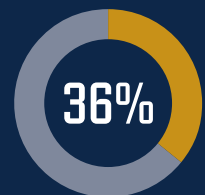

331 New scholars
welcomed to campus

225
First-year students

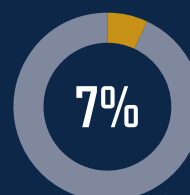

106
Transfer students

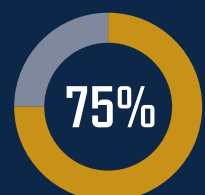

STEM majors

Social Sciences majors

Arts and Humanities
majors

First-generation
college students

MEET DAISY

"The Chancellor's Associates Scholars Program has single-handedly shaped my experiences throughout the four years I have spent at UC San Diego. I am eternally grateful for the strong relationships I have built through the CASP community. I carry my university and life experiences with me so fondly. **Today, I feel as if I am finally embracing myself, with growing determination to strive for my passions without so much fear of the world. This is all thanks to you.**"

DAISY CASTAÑEDA GARCIA '26

Triton Giving Day Chancellor's Associates Scholar
CASP Peer Leader

Daisy Castañeda Garcia is a fourth-year student studying human biology, whose senior year scholarship was funded entirely by gifts made on Triton Giving Day. Her dream is to become a physician assistant, supporting the health and well-being of her community. Your support encourages her to advance through insecurities to achieve her goal of helping others. She now serves as a CASP Peer Leader, creating a welcoming, safe and inclusive community for incoming students.

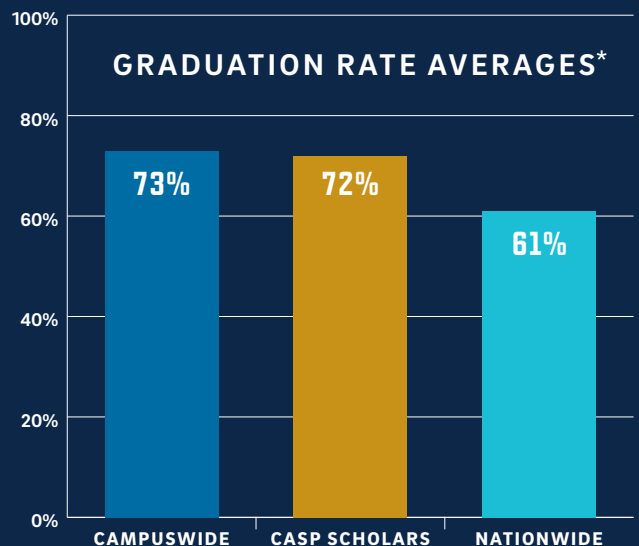

Your collective belief in our scholars gives them the motivation to succeed as they pursue their dreams on campus and beyond. Thank you for fueling a brighter future for our students and for being a part of the community of supporters.

Together, we are propelling possibility.

DID YOU KNOW?

Thanks to the support scholars receive through CASP, they are encouraged to excel at UC San Diego, where the graduation rate is higher than the national average.

*Graduation rates are even higher for transfer students at UC San Diego: 80% campuswide and 88% for CASP scholars.
