

CHANCELLOR'S ASSOCIATES

LEVELING THE PLAYING FIELD

We run with the renegades. For more than 50 years, Chancellor's Associates have supported upstarts and the bright sparks at UC San Diego because we share the same unconventional ethos. Our generous annual support of the chancellor's dynamic call to action funds critical priorities, generating Chancellor's Associates Scholarships for qualified, motivated students and delivering pivotal support services that ensure their success. Our community of like-minded mavericks knows what it takes to change the world – and how philanthropy can upend convention.

Our principal vision is to expand the Chancellor's Associates' reach, scope and impact dramatically. To increase the number of Chancellor's Associates Scholars on campus at any one time to 1,200 strong. To focus funding on supporting our scholars as they reach for success. And to clear the way for UC San Diego's brilliant changemakers who will make a difference now and in the future.

Accelerating our impact means investing in opportunities to unleash the promise of people and programs. By increasing our annual funding to \$12 million, we will be able to provide 1,200 Chancellor's Associates Scholars with \$10,000 per year for up to four years. By making an annual Chancellor's Associates gift, you are supporting long-term scholarships that open doors and transform students' lives.

At UC San Diego, we believe that what we don't know today will forever change our tomorrows. Empowered by generosity and fueled by curiosity, we are unafraid to chase the unknown – to ask the questions no one has asked before and to push the boundaries of possibility. Together, we unite diverse people and unconventional perspectives to propel limitless impact. Because we know that when we come together, nothing is beyond us.

CHANCELLOR'S ASSOCIATES PRIORITIES

Our scholarship program breaks boundaries and levels the playing field for aspiring learners:

"The Chancellor's Associates Scholarship means that, despite where I come from, I am significantly capable of achieving the same dream of someone with a different status than me. I call this scholarship, and the donor, my hero."

Kathalee Yang '25

School of Social Sciences, Human Developmental Sciences

"Receiving the Chancellor's Associates Scholarship and counting on the CASP office has been a wonderful resource and support during my time at UC San Diego. I have made lifelong friends and met a lot of wonderful people. The CASP team truly makes you feel like a family."

Max Ceballos '22

School of Biological Sciences, Human Biology

With your help, Chancellor's Associates can bring the best and brightest to UC San Diego. When combined with the University of California's Blue + Gold Opportunity Plan – which covers fees for California residents whose families earn less than \$80,000/year and qualify for financial aid – a \$10,000 Chancellor's Associates Scholarship effectively provides a full scholarship to UC San Diego.

Ability is random. Access is not. Chancellor's Associates Scholarships level the playing field. Together, as a growing network of champions for educational advancement, Chancellor's Associates will leverage and empower our audacious community to make a difference here on campus and around the globe.

Make your gift of \$2,500–\$25,000+ today.
