

# THE CRAFT CENTER

RECOGNITION OPPORTUNITIES

**The Craft Center's new home** in the vibrant North Torrey Pines Living and Learning Neighborhood serves as a catalyst for campus and the greater community to connect, dissolving boundaries by integrating housing, dining and the arts. The space includes a mix of classrooms, dedicated studios and facilities to enable favorite classes from the past, like ceramics, while welcoming new programs, like surfboard shaping. Accessible to the entire San Diego community, the Craft Center is designed for engagement, interaction and exploration without barriers.

UC San Diego

At UC San Diego, we believe that what we don't know today will forever change our tomorrows. Empowered by generosity and fueled by curiosity, we are unafraid to chase the unknown – to ask the questions no one has asked before and to push the boundaries of possibility. Together, we unite diverse people and unconventional perspectives to propel limitless impact. Because we know that when we come together, nothing is beyond us.

# THE CRAFT CENTER

**Leadership gifts** will support a commitment to creativity and curiosity in a hub for expression, participation and discovery.

Opportunities abound within the Craft Center to honor and recognize our philanthropic partners who seek to create an experience within an experience in the highly-visible “living room” of our neighborhood.
