

THE GPS FELLOWSHIP CHALLENGE

Double the Impact of Your Giving

At UC San Diego School of Global Policy and Strategy (GPS), donor support of student fellowships plays a critical role in helping the school attract and enroll top students from across the world.

Now, through the generosity of the GPS International Advisory Board (IAB), you have an opportunity to double the impact of your giving for student fellowships. The \$1 million IAB Fellowship Challenge will match, on a 1:1 basis, all gifts made in support of GPS fellowships until matching funds are expended.

Bolstering our fellowship offerings will help us attract the best students, remain competitive with peer institutions, and enhance our reputation as a leader in global policy and international affairs.

There are opportunities at all levels to leverage your giving with the match. Here are a few examples:

<p>YOUR GIFT \$1,000</p> <p>MATCH \$1,000</p> <p>TOTAL \$2,000</p> <p>Doubles your support of the GPS Alumni Endowed Fellowship Fund</p>	<p>YOUR GIFT \$5,000</p> <p>MATCH \$5,000</p> <p>TOTAL \$10,000</p> <p>Establishes a fellowship in your name for one year</p>	<p>YOUR GIFT \$125,000</p> <p>MATCH \$125,000</p> <p>TOTAL \$250,000</p> <p>Establishes a fellowship in your name that will be awarded in perpetuity</p>

"Without fellowship support, I simply would not be at GPS, where I'm studying strategies for building peace and empowering women in my home country of Ecuador."

"As a board, we know how essential fellowships are to GPS. I hope this challenge inspires alumni and friends to leverage their own giving for the benefit of our students and our school."
