

THE STRAUSS

RECOGNITION OPPORTUNITIES

Home is where the art is. UC San Diego's Triton Center will be a place for students and our community to come together, receive support and care, and celebrate our milestones and achievements. We take pride in plans that integrate art and convening at a site that will be central to the experience of our students, a coordinating hub for visitors, a welcoming home for alumni and a destination for art that exemplifies the energy and spirit of UC San Diego.

UC San Diego

At UC San Diego, we believe that what we don't know today will forever change our tomorrows. Empowered by generosity and fueled by curiosity, we are unafraid to chase the unknown – to ask the questions no one has asked before and to push the boundaries of possibility. Together, we unite diverse people and unconventional perspectives to propel limitless impact. Because we know that when we come together, nothing is beyond us.
