

TRITON ADMINISTRATIVE SERVICES BUILDING

RECOGNITION OPPORTUNITIES

The quality of Triton learning is the future of Triton impact.

At UC San Diego, we prioritize bringing scholars from all backgrounds to our dynamic campus community. Success means ensuring our classes and programs reach students who have diverse learning styles, juggle nontraditional schedules, or hail from cities around the globe. The resources housed within the Triton Administrative Services Building share in common an orientation to helping members of the Triton community focus on what's most important in their UC San Diego journeys.

UC San Diego

At UC San Diego, we believe that what we don't know today will forever change our tomorrows. Empowered by generosity and fueled by curiosity, we are unafraid to chase the unknown — to ask the questions no one has asked before and to push the boundaries of possibility. Together, we unite diverse people and unconventional perspectives to propel limitless impact. Because we know that when we come together, nothing is beyond us.

TRITON ADMINISTRATIVE SERVICES BUILDING

Leadership gifts will support our commitment to the achievement of our students and the rewards of a thriving, diverse community.

The programs to be housed in the Triton Administrative Services Building are the Teaching and Learning Commons, Triton Transfer Hub and Global Initiatives. Navigation and concierge guidance will be facilitated at the Student First Stop, a welcoming, student-centered resource hub designed to provide an inclusive and seamless approach to addressing questions related to student support services.

Opportunities abound within the Triton Administrative Services Building to honor and recognize our philanthropic partners who strengthen resources in support of Tritons, visiting scholars and their families.

Together with your philanthropic support, we can continue to challenge convention, to be the place where education and discovery share a spirit of curiosity and boldness.

The new Triton Administrative Services Building will be a site for Triton undergraduates, research scholars and visitors to access crucial learning supports, celebrate the familiarity and difference of multiple cultures, and form closer connections to fellow nontraditional students navigating a promising new stage of life.

Take your part in creating a space worthy of our greatest Triton ambitions.
